

Activate Azure trial subscription

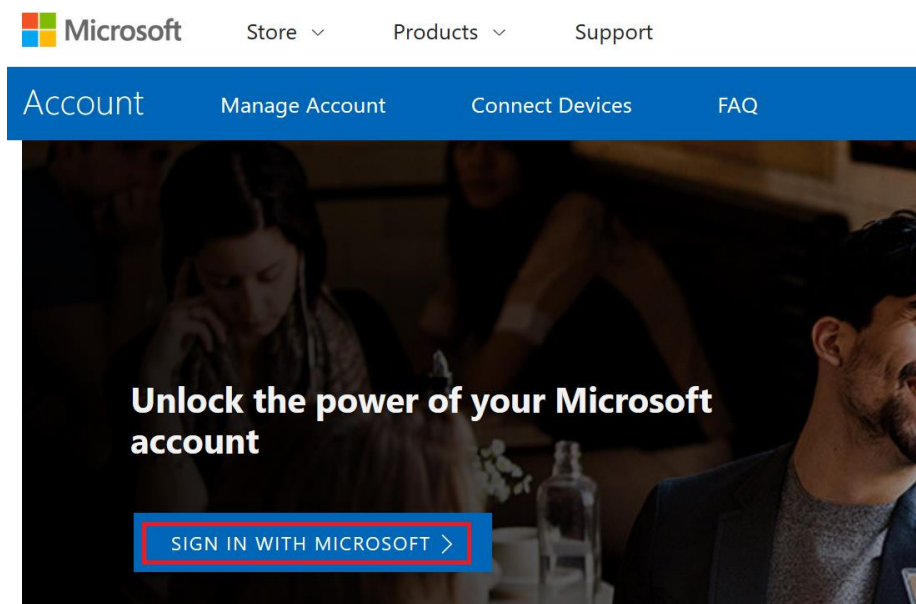

Duration: 10 minutes

Azure trial subscription will allow you to execute the below Azure lab exercises in live Azure environment. Your Azure trial subscription will have \$100 of credit and will provide access to almost all available Azure services.

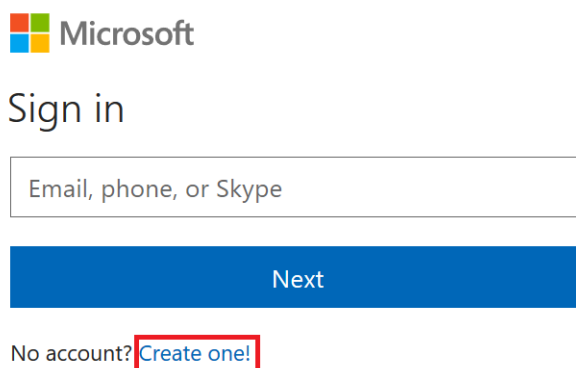

Your Azure trial subscription has to be activated with a brand new Microsoft account before it's ready to use.

Step 1. Create a new Microsoft account (skip this step if you already have a Microsoft account)

1. Use a web browser and navigate to URL <http://account.microsoft.com>. Click on **Sign in with Microsoft**:

2. Click on **Create one!** to create a new account:

3. Use your email address or alternatively create a new email account in Microsoft domain by choosing **Get a new email address**:

Create account

Microsoft account opens a world of benefits.

☐ Send me promotional emails from Microsoft
